TIPS

- You may cover the sausages while preparing them in a pan or on a grill, to reduce splatter.
- Continuously flipping the sausages while cooking will achieve an evenly cooked, juicy result, every time.
- Recommended searing time from defrosted is 5 minutes over medium heat.
- If deep frying, fry for 4 minutes at 180°C.
- Remember success in the kitchen, to paraphrase Thomas Edison, is “1% inspiration and 99% perspiration”. Be creative!
